

# MSED IN ADOLESCENCE EDUCATION (7-12)

---

## Program Description

The Master of Science in Education (MSEd.) is a 30 credit graduate program designed with flexibility in mind. It allows initially certified adolescence educators the opportunity to tailor the program to their interests. At its core, the MSEd. aims to deepen teachers' knowledge of subject content, of the theory and practice of teaching and learning, and of the diverse contexts of education. In a two-semester course, students develop skills in research-based inquiry focused on the classroom. This graduate program enables students to complete the curriculum requirement for professional certification in New York State.

## Students specialize in:

- [Adolescence Education: Biology](#)
- [Adolescence Education: Chemistry](#)
- [Adolescence Education: Earth Science](#)
- [Adolescence Education: English](#)
- [Adolescence Education: Mathematics](#)
- [Adolescence Education: Social Studies](#)
