

MS IN COMMUNICATION DISORDERS - SPEECH-LANGUAGE PATHOLOGY CONCENTRATION

Program Overview

Program Coordinator	Andrea Abramovich, (845) 257-2377, abramova@newpaltz.edu
Program ID	090S
Credits	61
Program Length	MS can be completed in 2 years if enrolled full-time, but students must complete degree within 4 years
Modality	In-person
Full-time/Part-time	Full-time
Transfer Credits	6
Capstone	Comprehensive Exam

Admission Requirements

- A baccalaureate degree from an accredited institution
- A minimum cumulative undergraduate grade point average (GPA) of 3.0 (4.0 scale)
- A college-level course in statistics with a minimum grade of 2.0 (4.0 scale). Course must be focused on statistics; research methods will not be accepted.
- At least eight courses in communication disorders at the undergraduate level. Courses must be determined to be equivalent to the New Paltz minimum specified courses listed below and must have been completed in the last 10 years. These courses may be in progress at the time of application but must be completed prior to entry into the program.
- An interview may be required.
- GRE scores are NOT required.

The following should be submitted via CSDCAS:

- One copy of ALL transcripts (including transfer schools).
- Three letters of recommendation from professionals familiar with your relevant academic experience and capability. At least two must be from academic faculty. Letters are not accepted from personal acquaintances.
- Proof of completion of 25 observation hours.
- Written responses to 4 questions in the application, maximum of 200 words per question.
- A completed Prerequisites Form (included in the application).

Course List

Code	Title	Credits
Specified Courses (24 Credits)		
	Anatomy and Physiology of Speech and Hearing	3
	Audiology	3
	Aural Rehabilitation	3
	Hearing and/or Speech Science	3
	Language Development in Children	3
	Diagnostic and/or Clinical Methods ¹	3
	Phonetics	3
	Speech and/or Language Disorders	3
Total Credits		24

¹ Must include 25 observation hours

Additional Courses

The following undergraduate-level courses are required for ASHA Certification and New York State Teacher Certification. **These courses are not included in the master's degree curriculum; students must complete them independently.** These courses should be completed prior to starting the master's program; however, they are not required for admission. If they are not completed prior to the start of the master's program, then they must be completed before the master's degree is conferred. A minimum grade of C (2.0) is required in each course; grades of S or P are not accepted.

ASHA Certification Courses

- A college-level biological science course, preferably human or animal (3 credits).
- A college-level physics or chemistry course relevant to the field of Communication Disorders (3 credits). Astronomy is not accepted.
- Two college-level social science courses (total of 6 credits).

Refer to ASHA Certification Courses for detailed guidelines.

New York State Teacher Certification

Students who plan to practice as an SLP in schools and in other settings that require New York State Teacher Certification must complete these courses:

- A course in the Foundations of Education, e.g., equivalent to EDS340 Sociological and Philosophical Foundations of Education (3 credits).
- A course in child or adolescent development, e.g., equivalent to EDS371 Child Psychology and Development (3 credits).
- A course in special education inclusion, e.g., equivalent to SPE350 Creating Inclusive Elementary School Classrooms or SPE385 Differentiating Instruction in the Secondary School (3 credits). Alternatively, students may take SPE565 Teaching in Inclusive Classrooms (3 credits) after starting the graduate program.

Application Deadlines

Applications for Communication Disorders Graduate Programs are considered for Summer admission. Once accepted, students may postpone their start to the Fall if desired, or if necessary to complete prerequisite coursework.

Applications Open - **July 15** Summer AdmissionApplications Close - **January 15** Summer Admission

No rolling admissions, any applications submitted after January 15th will not be considered.

M.S. in Communication Disorders – Speech-Language Pathology Concentration 090S

The Speech-Language Pathology concentration comprises 61 credits and leads to New York State licensure and ASHA certification.

Code	Title	Credits
Required Coursework (42 Credits)		
Scientific and Research Bases:		12
CMD508	Neurophysiology of Speech and Language	
CMD509	Advanced Speech Science	
CMD524	Applied Language Sciences	
CMD532	Clinical Instrumentation Laboratory	
CMD550	Research Methods and Evidence Based Practice 1	
CMD551	Research Methods and Evidence Based Practice 2	
Speech, Language, and Swallowing:		30
CMD504	Phonological Disorders	
CMD505	Child Language Disorders	
CMD507	Seminar in Motor Speech Disorders	
CMD512	Fluency Disorders	
CMD516	Adult Language Disorders	
CMD519	Swallowing Disorders	
CMD520	Augmentative Communication Systems	
CMD521	Early Intervention for Speech-Language Pathologists	
CMD522	Voice Disorders	
CMD525	Advanced Diagnosis of Speech and Language Disorders	
Clinical Practicum (19 Credits)		
CMD501	Clinical Methods in Speech-Language Pathology 1	2
CMD502	Clinical Methods in Speech Language Pathology 2	2
CMD510	Professional Issues in Communication Disorders	2
CMD503	Practicum in Speech Language Pathology: On-Campus Summer	2
CMD513	Practicum in Speech Language Pathology: On-Campus ¹	2
CMD514	Practicum in Speech Language Pathology: Off-Campus Fall	3
CMD515	Practicum in Speech Language Pathology: Off-Campus Spring	3
CMD526	Diagnostic Practicum in SLP	1
CMD570	Diagnostic Audiology Practicum for the SLP	1
Select one elective from below:		1
CMD500	Orientation Practicum	
CMD503	Practicum in Speech Language Pathology: On-Campus Summer	
CMD526	Diagnostic Practicum in SLP	

CMD527	Practicum in Speech Language Pathology: Specialty Clinic
CMD528	Practicum in Speech Language Pathology: Off-Campus Screenings
CMD553	Research Practicum
CMD595	Indep Study Communication Disorders
Comprehensive Exam	
Total Credits	61

¹ 1 credit course. Taken twice.² Repeatable course.

Graduate Checklist

- Apply for graduation via my.newpaltz.edu under "Graduation" tab according to the schedule in the [academic calendar](#).
- Resolve any pending admission conditions (outlined in your acceptance letter) and/or missing documents if applicable.
- Review your progress report via my.newpaltz.edu to ensure that you have completed all program requirements.
- Remember that only two grades below a B- may be applied to your [plan of study](#).
- Contact your advisor if you need to amend your plan or process [transfer credit](#).
- Ensure that you are in [good academic standing](#) with a GPA (Grade Point Average) of 3.0 or higher.
- Pass your capstone or culminating assessment.
- Complete your degree within the [specified time limit](#) outlined in the Program Overview.

Students must:

- File a "plan of study" during the first semester after matriculation
- Complete prescribed course work within four years after matriculation
- Maintain a cumulative average of 3.0 or higher, with no more than two grades below B-
- Successfully complete a comprehensive examination with written and oral components
- Demonstrate clinical competence by successfully completing the prescribed number of clinical contact hours. These will be between 325 and 375 clock hours depending on previous clinical experience

Program Learning Outcomes

This is an accredited program, and thus the program student learning outcomes are determined by the accrediting agency.

Standard V-A

The applicant must have demonstrated skills in oral and written or other forms of communication sufficient for entry into professional practice.

Implementation: The applicant must have demonstrated communication skills sufficient to achieve effective clinical and professional interaction

with clients/patients and relevant others. In addition, the applicant must have demonstrated the ability to write and comprehend technical reports, diagnostic and treatment reports, treatment plans, and professional correspondence.

Standard V-B

The applicant for certification must have completed a program of study that included experiences sufficient in breadth and depth to achieve the following skills outcomes:

Evaluation

- Conduct screening and prevention procedures (including prevention activities).
- Collect case history information and integrate information from clients/patients, family, caregivers, teachers, and relevant others, including other professionals.
- Select and administer appropriate evaluation procedures, such as behavioral observations, nonstandardized and standardized tests, and instrumental procedures.
- Adapt evaluation procedures to meet client/patient needs.
- Interpret, integrate, and synthesize all information to develop diagnoses and make appropriate recommendations for intervention.
- Complete administrative and reporting functions necessary to support evaluation.
- Refer clients/patients for appropriate services.

Intervention

- Develop setting-appropriate intervention plans with measurable and achievable goals that meet clients'/patients' needs. Collaborate with clients/patients and relevant others in the planning process.
- Implement intervention plans (involve clients/patients and relevant others in the intervention process).
- Select or develop and use appropriate materials and instrumentation for prevention and intervention.
- Measure and evaluate clients'/patients' performance and progress.
- Modify intervention plans, strategies, materials, or instrumentation as appropriate to meet the needs of clients/patients.
- Complete administrative and reporting functions necessary to support intervention.
- Identify and refer clients/patients for services as appropriate.

Interaction and Personal Qualities

- Communicate effectively, recognizing the needs, values, preferred mode of communication, and cultural/linguistic background of the client/patient, family, caregivers, and relevant others.
- Collaborate with other professionals in case management.
- Provide counseling regarding communication and swallowing disorders to clients/patients, family, caregivers, and relevant others.
- Adhere to the ASHA Code of Ethics and behave professionally.
