Veterans & Military Financial Aid Prospective Military Students and/or Dependents

The following websites contain information on resources, aid options, default rates, and graduation rates and provide comparative school costs so that prospective students can make informed decisions about where to attend school.

1. [College Scorecard](#) is a planning tool and resource to assist prospective students and their families as they evaluate options in selecting a school.
2. [College Navigator](#) is a consumer tool that provides school information to include tuition and fees, retention and graduation rates, use of financial aid, student loan default rates and features a cost calculator and school comparison tool.
3. [The Financial Aid Shopping Sheet](#) is a model aid award letter designed to simplify the information that prospective students receive about costs and financial aid so they can easily compare institutions and make informed decisions about where to attend school.

The Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020 requires educational institutions to make certain disclosures to students using federal military and/or VA educational benefits. You can access a personalized data sheet by visiting [the SUNY Net Price Cost Calculator](#) and selecting SUNY New Paltz from the dropdown. Additional financial information can be found at the [NCES College Navigator site](#).

The SUNY Financial Aid Plan (FAP) will provide a more in-depth analysis and accurate picture of student cost once the student has filed their FAFSA, completed a SUNY application, and been accepted by a campus.

4. [Paying for College](#) can be used by prospective students to enter the names of up to three schools, receive detailed financial information on each one, and enter actual financial aid award information.

5. Our college's [Student Financial Services website](#) details how to apply for all types of aid, including Title IV.

Military Leave of Absence Policy

SUNY New Paltz acknowledges and appreciates the important contributions of our students who are currently serving in the United States Armed Services. In order to support these students, SUNY New Paltz, its academic and professional faculty and the Office of Veteran and Military Services pledge to make every effort to provide reasonable accommodations to individuals who must be absent due to military obligations².

Under the guidance of the Department of Education (ED) (34 C.F.R. 668.18 & 34 C.F.R. 688.8), SUNY Tuition, Fees and Other Charges Policy; [SUNY's Billing, Refunds, Collection and Write-offs Policy for Tuition, Fees, and Other Charges](#); [Section 487b of the US Higher Education Act as amended](#), and SUNY New Paltz, this policy ensures students shall not be penalized for class absences due to military obligations. Military-related absences will not constitute a class absence. SUNY New Paltz and its academic and professional faculty will provide reasonable accommodations to complete assignments and other coursework. These accommodations may include, but not limited to:

- An opportunity to submit coursework on an alternative schedule agreed upon by the student and faculty member;
- Selection of comparable coursework as assigned by the faculty member;
- Completing coursework as an Independent Study, being given an incomplete grade for the course, using the Satisfactory/Unsatisfactory grading option, or withdrawing from the course.

Both the student and the faculty member must agree that the length of the absence is reasonable, given the type and structure of the course. The student and faculty member will agree upon a plan in writing that details expectations for successful completion of the course in question. If a faculty member offers the option of dropping a quiz/test grade, military-related absences will not constitute the dropped quiz/test unless the student chooses. In situations where the length of absences is detrimental to the student's ability to successfully complete the agreed upon plan, it may be within the student's best interest to take a military leave of absence. Should a student exercise this option, SUNY New Paltz will remove the course(s) from their transcript. All subsequent financial aid, GI BILL® funds, TA, etc. will be recalculated and returned to its original source.

Students' Responsibility

Students who are actively participating in the United States Military Reserve or National Guard are highly encouraged to provide each faculty member, as well as the Office of Veteran and Military Services, a copy of their Reserve and/or National Guard schedule during the first week

of class each semester. In the event that the student must perform duties outside of this schedule, a signed memorandum from his/her Unit Commander must be provided with said dates of service and supplied to each instructor.

- ² Military Obligation is defined as, but not limited to, activations, deployments, mobilizations, permanent change of station, temporary duty assignments, drills, and unit training assemblies.

Military-Affiliated Student Tuition & Fee Deferral Policy

RE: [Veterans Benefits and Transition Act of 2018](#)

Return of DoD Tuition Assistance Funds

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of TA funds originally awarded.

To comply with Department of Defense policy SUNY New Paltz will return any unearned TA funds on a prorated basis through the 60% portion for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student stops attending. These funds are returned to the military service branch.

Return of TA rates for each semester length are available from the [Office of Veteran & Military Services](#). For withdrawals due to military service obligations, please see the [Military Leave of Absence policy](#).
